

RACE 1 – **PASS**

RACE 2 – **EXACTA BOX – 1-3-6-8**

RACE 3 - **#2 – BUBBLE ROCK – 3/1 – WP** – Cox reunites with Joel today and Joel has been riding some fine races on the front end of late.

We're looking for a gate to wire effort from the jump.

RACE 4 – **PASS**

RACE 5 - **#6 – JOKING WAY – 6/1 – WP** – He love moisture, note the work on the 7-19-23 at Big Sandy.

It also doesn't hurt 1<sup>st</sup> off the claim for SaraLinda and her Jet Fuel!

RACE 6 - **#3 – APOLLO TEN – 8/1 – WP** – We cannot take credit for this one, we were given this one by two sharp horse players!

Suppose to fire big today, it's a very tough maiden field!

RACE 7 - **#4 – REPEALING – 6/1 – WP** – We just need The Strangler to let this one run on a loose rein from the jump.

This colt has been burning up the track in the AM for Baby Stall and The Strangler has been up also.

RACE 8 - **#7 – MODERN LOVE – 12/1 – WP** – Ian Wilkes excels at these marathons weed races and he's been trying to get this one over the blades for some time.

It's tough to back The Strangler in back-to-back races!!

RACE 9 - **#1 – IDIOMATIC – 3/1 – WP** – As we've stated before, sometimes you have to join them and especially with a lone speed horse that has a big shot of rebreaking down the lane.

RACE 10 - **PASS**
